MINOR COMMITTEE REPORT

The OASA and its Minor Committee have been busy working behind the scenes to organize minor tournament play for the upcoming season. The OA continues to work closely with the affiliated centres and appreciates those centres that are able to step forward and host a tournament (Elimination, Qualifier or Provincial). At this point the OA is still looking for a Midget B/C Provincial host for August 13, 14. Depending on Mite affiliation numbers, an Eastern Mite Qualifier site for July 23-24 may also be needed.

Soon after the affiliation deadline (May 25 or June 10), minor Division Coordinators will be contacting the affiliated teams with more information about their particular upcoming OASA tournaments. Once again, the DCs will be the affiliated centres first line of contact for more information about OA tournament play. Working together with the affiliated teams and the host centre the OA hopes to offer an exciting summer of competitive fastball for our teams. As well, this summer the OA plans to send four midget teams to the Canadians in New Brunswick and two clubs from each of the Pee wee, Bantam and Midget divisions to the Eastern Canadians in late August.

Sport – a way of life in Napanee

Napanee is a true Canadian sports town. The men and women here have been active their whole lives, and their kids were practically born with either baseball bats, hockey sticks or curling brooms in their hands.

Everyone is out and about in the spring and summer months participating in fast pitch, slo-pitch, swimming, soccer, horseback riding, fishing, golf - the list goes on and on. Our roadways are enjoyed by countless cycling enthusiasts that take full advantage of our award winning County Trails network. There is always something to do or watch in our great outdoors.

The fall and winter is spent by most of us at the rink, whether it is the hockey rink, curling rink, backyard rink, or all of the above. Everyone participates - even our own Avril Lavigne laced 'em up for the NDSS Hawks high school hockey team. Our Napanee Raiders have won the Empire Jr. C title many times and routinely pack the building, especially when the rival Amherstview Jets come calling. The local curling club is hopping from September to April, and as long as there is 8 inches of ice on Hay Bay, the shanties are strategically placed over the hottest fishing spots.

It just keeps getting better for our sporting enthusiasts! Local residents not only get to watch their hometown hero's play, but also Canada's finest athletes. We have hosted 4 Canadian Fast Pitch Championships, and in 2008 the National Women's Under-18 Hockey Championship captivated audiences. In 2010, Glenn Howard and the province's best curlers came to town for the 2010 Ontario Men's Curling Championship. The event was so successful that the 2012 M&M Meat Shops Canadian Junior Curling Championship will rock Napanee with some of the sport's most promising athletes.

This August, the U23 Men's Canadian Fast Pitch Championship will entertain fans from all across the country when it hits the Napanee Fairgrounds Sports Complex from the 8th to 14th. The stands will undoubtedly be packed with fans cheering on two Napanee teams as they compete for the Canadian Fast Pitch supremacy, including the defending champion North Key Construction Napanee Express who is attempting to win back-to-back National championships.

Week passes are selling fast for the U23 Men's Canadian Fast Pitch Championship. For only \$50, you will have an all-access pass to the action. Get yours today by calling 613-354-4423 or by visiting the Strathcona Paper Centre, located at 16 Macpherson Drive in Napanee. For more information, please visit www.NapaneeU23.com.
